Our fire escape plan

Two ways out of every room.

Draw each room, then mark two ways out with arrows and each smoke alarm with a circle. Extra grids for a basement or another level are free at emergencyplanner.com.

Upstairs

Main level

Our meeting spot outside

Escape ladder kept at

Number of smoke alarms

Last tested on

Oldest alarm put up in *replace at 10 years*

Who needs a hand getting out (a child, a pet, or anyone who moves slowly)	Who helps them

Who checks that everyone is out and calls 911 from outside
