# Go bag, car kit and car readiness

Packed so the person carrying it can still walk with it.

### Our go bag

- [ ] Water, with more in the car if it will not fit
- [ ] Food that needs no cooking
- [ ] A week of medicines, with a cooling pack if needed
- [ ] Flashlight and spare batteries
- [ ] Phone chargers and a power bank
- [ ] Cash in small bills
- [ ] Copies of IDs and insurance cards
- [ ] A change of clothes and sturdy shoes each
- [ ] Basic first aid supplies
- [ ] A comfort item for each child

### If we have a baby or toddler

- [ ] Diapers and wipes
- [ ] Formula or bottles
- [ ] Snacks
- [ ] A small toy

### If we have a pet

- [ ] Food and water for a few days
- [ ] Leash or carrier, and waste bags
- [ ] Vaccination records and medicines

### Our car kit

- [ ] Jumper cables
- [ ] Flashlight
- [ ] Blanket
- [ ] Water and snacks
- [ ] Phone charger that stays in the car
- [ ] First aid supplies
- [ ] Ice scraper, where winters need one

### Car readiness

- [ ] We keep the tank at least half full in storm season
- [ ] The spare tire, jack, and lug wrench are in the car
- [ ] Car seats are ready for the kids who need them

**Tires and spare checked on**

**A spare key is kept at**

**Our go bag is kept at**

### Who drives which car

| Car | Driver | Who rides, including pets |
|---|---|---|
| | | |
| | | |
| | | |

**Other things we would add**

Water for a day is about a gallon per person, which is heavy. Pack what can be carried and keep more in the car.
