# Our one-page plan

Read it out loud together once, then post it where everyone can see it.

**Fire**
from page 25

If there is a fire, we get out. We meet at _____

We stay out, and _____ counts everyone and calls 911 from outside

**Meeting spots**
from page 27

If that spot is blocked, we meet at _____

If we cannot get home, we meet at _____

If we have to leave town, we go to _____

**Reaching each other**
from page 29

We text first, in our group chat on _____

Our out-of-area contact is _____ cell _____

If we hear nothing by _____, we _____

**Kids and away**
from page 31 and page 32

If school lets out early, this adult goes: _____

If one of us is away, _____ is in charge

**Staying home**
from page 35

In a tornado warning, we go to _____

If that spot floods, we go to _____

**Power out**
from page 37

Our flashlights are kept at _____

We all stay in _____ and check on _____

**Shutoffs**
from page 39

| Gas shutoff | Water shutoff | Main breaker |
|---|---|---|
| | | |

| Gas company leak line | Electric company outage line | Water utility line |
|---|---|---|
| | | |

Shut off gas only if we smell it, hear it, or see damage, and only if it is quick and safe. Only the gas company turns it back on.

**Leaving**
from page 41 and page 42

Our go bag is kept at _____

We go to _____ first, then to _____

| Main way out | Backup | We avoid |
|---|---|---|
| | | |

Call 911 for a fire, an injury, or a gas smell, from outside. Poison Control is 1-800-222-1222. Fill this page in from the pages named above, then post it where everyone can see it.
